

DEPARTMENT OF ORTHOPAEDICS

Sl. No	Faculty Name	Publication Title	Scopus
1	Dr.V Venugopal.	Dr.V Venugopal. Surgical Management of Posterior Malleolus Fracture. Annals of International Medical and Dental Research, 2015;1(2):120-122	No
		Dr.V.Venugopal, Dr.P.Sukarna Reddy. A Study of Comparison of Lateral versus Anterolateral Approach for Isolated Coronal Fractures of Humeral Capitellum. Asian Journal of Medical Research, 2017;6(3):1-4	No
		Dr.V.Venugopal, Dr.P.Sukarna Reddy. A Prospective Study of Management of Proximal Humerus Fractures with LCP Plate. Asian Journal of Medical Research, 2017;6(2):1-3	No
2	Dr.Komala Rao	Dr.Komala Rao, Dr.V Ramesh, Dr.Purna Singh. Effect of vestibular stimulation on depression, anxiety and stress in postmenopausal women with Osteoporosis. World Journal of Pharmaceutical Sciences, 2014;2(12):1972-1974	No
		Dr.Komala Rao, Dr.D.Santha Rao. A Comparative study on Serum ALP,LDH ^& Acid Phosphatase Levels with Patients suffering form Rheumatoid Arthritis and Osteoarthritis. World Journal of Pharmaceutical Sciences, 2014;2(12):1977-1980	No
3	Dr. V Ramesh	Dr. V Ramesh, Dr.C H Rama Babu. Prevalence of Primary Post-Menopausal Osteoporosis in Indian Women. World Journal of Pharmaceutical Sciences, 2015;3(12):2497-2499	No
		Dr. V Ramesh, Dr. T Lalvani Shyam. A Study an Outcome of Surgical Management of Proximal Humerus Fractures. World Journal of Pharmaceutical Sciences, 2016;4(3):549-553	No
4	Dr.T.Dinesh Kumar	Dr.Dinesh kumar,Dr.G.Shanmukarao,Dr.Ch.Deepak Dr.M.Ranganath .Clinical outcome of distal radius fractures fixed with volar plating. International Journal of orthopedics sciences.2020;7(1); 599-604.	No
		Dr.Dinesh kumar, Dr.K.VamsiKrishna,Dr.Ch.Deepak,Dr.G.ShanmukaRao,Dr.M.Ranganath Prospective study of surgical management of siaphyseal fractures of both bones forearm in older children using titanium elastic intrameduliary nailing at a tertiary care hospital in srikakulam. Journal of evidence based medicine and health care.2021;8(18); 1223-1229	No
		Dr.Dinesh kumar, Dr.Ch.Deepak, Dr.M.Santosh Babu,Dr.M.SaiAshok A Prospective study of surgical management of dual plating of bicondylar tibial plateau fracture. International Journal of research in orthopaedics.2021;7(2): 241-247	No
		Dr.K.Vamsi Krishna, Dr.T.Dinesh Kumar, Dr.Ch.Deepak. Evaluation of functional outcome of intracapsular fracture neck of femur with austin moore prosthesis at a tertiary care hospital in Srikakulam. International Journal of orthopaedic Sciences .2021;7(3); 298-302.	No

		Dr. Mareedu SN Venkata Siva Ram Gowda and Dr. Dinesh Kumar Tutika. A prospective study on the surgical management of distal end of radius fractures by various modalities. International Journal of orthopaedic Sciences.2021;7(4); 306-309	No
5	Dr.Sandeep Saraf	Dr.Sandeep Saraf, Dr.M.Shaik.Surgical stabilization of supracondylar fracture femur with locking compression plate. A Study on functional outcome. International Journal of orthopaedics.2020;6(1): 1015-1020.	No
		Dr.Sandeep Saraf, Dr.K.R.R.Gandhi,Dr.S.S.Prasad Rao . A Clinical Study of management of eiaphyseal fractures of femur by closed intramedullary interlocking nail in adult. International Journal of orthopaedics.2020;7(17).	No
		Dr.Sandeep Saraf , Dr.Siva Sai Kumar Reddy. A study on osteochondromas from the right and left iliac wing in a tertiary care hospital. Medpluse International Journal of orthopaedics 2020;13(3).	No
6	Dr.Ch.Deepak	Dr.Dinesh kumarDr.G.ShanmukaraoDr.Ch.Deepak Dr.M.Ranganath Clinical outcome of distal radius fractures fixed with volar plating. International Journal of orthopaedics sciences 2020;7(1): 599-604.	No
		Dr.Dinesh kumar Dr.K.VamsiKrishna,Dr.Ch.Deepak,Dr.G.ShanmukaRao,Dr.M.Ranganath Prospective study of surgical management of diaphyseal fractures of both bones forearm in older children using titanium elastic intramedullary nailing at a tertiary care hospital in srikakulam. International Journal of research in orthopaedics 2021;8(18): 1223-1229	No
		Dr.Dinesh kumar, Dr.Ch.Deepak, Dr.M.Santosh Babu,Dr.M.SaiAshok . A Prospective study of surgical management of dual plating of bicondylar tibial plateau fracture. International Journal of research in orthopaedics 2021;7(2): 241-247	No
		Dr.K.Vamsi Krishna, Dr.T.Dinesh Kumar, Dr.Ch.Deepak Evaluation of functional outcome of intracapsular fracture neck of femur with austin moore prosthesis at a tertiary care hospital in Srikakulam. International Journal of orthopaedics sciences;7(3): 298-302	No
7	Dr.G.Shanmuka Rao	Dr.Dinesh kumarDr.G.ShanmukaraoDr.Ch.Deepak Dr.M.Ranganath Clinical outcome of distal radius fractures fixed with volar plating. International Journal of orthopaedics sciences 2020;7(1): 599-604.	No
		Dr.Dinesh kumar Dr.K.VamsiKrishna,Dr.Ch.Deepak,Dr.G.ShanmukaRao,Dr.M.Ranganath Prospective study of surgical management of diaphyseal fractures of both bones forearm in older children using titanium elastic intramedullary nailing at a tertiary care hospital in srikakulam. International Journal of research in orthopaedics 2021;8(18): 1223-1229	No

8	Dr.K.Vamsi Krishna	Dr.Dineshkumar Dr.K.Vamsi Krishna, Dr.Ch.Deepak, Dr.G.Shanmuka Rao, Dr.M.Ranganath Prospective study of surgical management of distal humeral fractures of both bones forearm in older children using titanium elastic intramedullary nailing at a tertiary care hospital in srikakulam. International Journal of research in orthopaedics 2021;8(18): 1223-1229	No
9		Dr.K.Vamsi Krishna, Dr.T.Dinesh Kumar, Dr.Ch.Deepak Evaluation of functional outcome of intracapsular fracture neck of femur with austin moore prosthesis at a tertiary care hospital in Srikakulam. International Journal of orthopaedics sciences;7(3): 298-302	No
10	Dr.M.Santosh Babu	Dr.Dinesh kumar, Dr.Ch.Deepak, Dr.M.Santosh Babu, Dr.M.SaiAshok . A Prospective study of surgical management of dual plating of bicondylar tibial plateau fracture. International Journal of research in orthopaedics 2021;7(2): 241-247	No
